

Drop-Off Service

DROP-OFF SERVICE

We serve everyone from the individual scrap metal seller to major manufacturing operations. No job is too large or small.

Our scales are open Monday through Saturday. Scrap metal dealers and the public are welcome to deliver their products during business hours.

ARC thrives on customer service. Our convenient drop off area is covered protecting our employees and customers from the elements. Customers can stay in their vehicles while ARC

Drop-Off Service

employees unload the recyclables. For customers receiving payment, ARC has a convenient drive up pay window. Customers never have to get out of their vehicle.
